Ashlar-Vellum™ Announces Cobalt™, Xenon™ & Argon™ v9

October 19, 2015, Austin, TX. Ashlar-Vellum announced the development and upcoming release of Cobalt, Xenon and Argon version 9, their trio of 3D solid and surface modeling products on Mac and Windows. Full release is anticipated early next year.

All three of the products will have the following enhancements in version 9:

- Support for the latest operation systems including Windows 8.1 and 10, and OS X 10.10 and 10.11
- Enhanced 2D PDF import and 3D PDF export
- Support for the latest DXF/DWG up to AutoCAD 2015/2016
- New Surface from Two Contours tool
- New Conic Surface from Sections & Guides tool
- Improved hatching
- Flattened perspective view
- Smart walls, door and windows for architectural drawings
- New handling options for 2D raster images

For a complete list and more information on each, go to:
